

# CYPAD KITCHEN MANAGER

## THE COMPREHENSIVE PAPERLESS KITCHEN MANAGEMENT SOLUTION

Fully **paperless** kitchen management system.

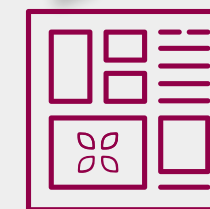

Communicate with your kitchens in a matter of seconds using our simple **messaging system**.

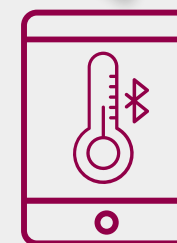

Record staff arrival and departure to the kitchen with our **clock in/clock out system**.

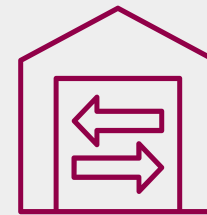

Access **menu and recipe information** using the tablet - no need for paper recipe cards.

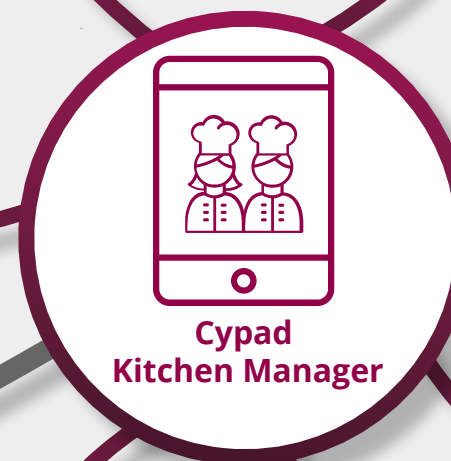

Use **Nutritional Analysis** to automatically populate nutritional and dietary information from within your menu items.

Record temperatures seamlessly with **Bluetooth integration**.

Manage **orders and deliveries** with our integrated supplier module.

Cypad  
Kitchen Manager

Fully integrate **Cypad Kitchen Manager** with **Meal Selection** for the holistic approach to managing your kitchens and the meals they produce.
